Enclosing census  
of Indians at  
Fort Belknap Agency

United States Indian Service,

Fort Belknap Agency,

Aug 19<sup>th</sup>

, 1887

Hon Commissioner  
of Indian Affairs  
Washington D.C.

Sir:

In compliance with your  
letter of instruction of June 15<sup>th</sup> 1887  
marked 'A' I have the honor to  
herewith enclose you my Annual  
Census of the Indians of this Agency.  
The greatest care has been taken in  
making the 'Census taking' is not rose  
colored but was performed by the  
personal visits to all the Indian  
families at their houses or Tepees.  
Of the Interpreter with other Agency  
employees. If there is any discrepancy  
the Census is under rather than over  
the number of Indians.

Very Respectfully most Sat.

United States Indian Service,

Fort Belknap Agency,

August 21st 1895

To the

Hon. Commissioner

Indian Affairs

Washington D. C.

Sir:-

I have the honor <sup>to</sup> transmit herewith the census of Indians belonging to this Agency, which has been taken with the utmost care possible. Yet I cannot vouch for its absolute correctness, on account of the scattered condition of these people, living as they do at various points some at distances of fifty miles apart.

My limited administration - commencing only on the 29th. ultimo renders it difficult for me to write with certainty on this matter. However, I believe the number stated to approximate closely.

Very respectfully

Charles F. Robb,

Chief, Belknap Agency, Indian Affairs.
